Aktivty Environ

A Specialty Series

MityBilt developed the Aktivty Environ table for a more 'natural look'. This table is offered with high pressure wood grain laminate and matching T-mold edging. What sets this series aside from the rest, is its leg design. Take a moment to check it out. This table includes a 2" diameter adjustable height leg with a solid wood insert. Available in Maple, Oak, and Cherry, it also has the appeal of a solid wood table... but without the price tag.
